American Sports Medicine Institute

March 11, 2015

Ellen Stalof
National Athletic Trainers' Association
1620 Valwood Parkway, Suite 115
Carrollton, TX 75006

Dear Ms. Stalof;

We here at the American Sports Medicine Institute have recently learned of the NATA's Youth Sports Safety Alliance and would like to join in support of your Call to Action.

We are a 501(c)3 sports medicine research and education foundation whose mission is to improve the understanding, prevention, and treatment of orthopaedic and sports related injuries through research and education.

We are very focused on injury prevention in youth sports and you may be familiar with our research and education efforts in injury prevention in youth baseball.

We applaud your efforts to help ensure that our young athletes have the opportunity to safely pursue their athletic dreams and goals.

Sincerely,

Lanier Johnson
Executive Director

Education and Research in Orthopaedics and Sports Medicine
