Ellen Satlof
National Athletic Trainers' Association
1620 Valwood Parkway, Suite 115
Carrollton, Texas 75006

Dear Ms. Satlof,

On behalf of NxtSports, I am proud to announce our support of the Youth Sports Safety Alliance. Nxt is pleased to join the National Athletic Trainers' Association in the effort to protect young athletes across the country. Nxt is a youth sports company headquartered in Philadelphia, Pennsylvania. The mission of Nxt is to create the most innovative sports education programs and execute industry-leading events at exceptional venues. A main focus of Nxt is to ensure the health and safety of all its participants.

As the Director of Participant Health and Safety for Nxt, I work with our Medical Director to oversee our Safety Initiative. We work to design safe environments for our participants through careful planning and excellent staffing.

All of our event locations are staffed with certified athletic trainers and equipped with emergency action plans, AEDs and other emergency equipment. Weather is monitored through state-of-art weather monitoring services and adjustments are made as outlined in our inclement weather policy and procedures. All Nxt employees, contractors, and volunteers must undergo fingerprinting tests as well as all state-required background screenings.

Thank you for providing us with an opportunity to partner with the Youth Sports Safety Alliance. Please contact me if you need any additional information about Nxt. We look forward to working with you to create safer environments for our nation's youth.

A handwritten signature in black ink that reads "K. ellis f mair, ATC". The signature is written in a cursive, slightly slanted style.

K Ellis F Mair, Ed M, ATC
