Youth Sports Safety Alliance
C/O Ellen Satlof
National Athletic Trainer's Association
2952 Stemmons Freeway
Dallas, Texas, 75247

Dear Ellen,

GoToMySportsPhysical strongly supports the National Athletic Trainers Association (NATA) and The Youth Sports Safety Alliance mission ensuring all young athletes have access to certified athletic trainers and trained coaches, sports physicals prior to participation, and increased research and education on youth sports injuries.

Preventable injuries that occurred decades ago continue to occur needlessly today.

We look forward to working with you and other alliance members.

Sincerely,
