Attn. Ellen Satlof, Public Relations
1620 Valwood Parkway, Suite 115
Carrollton TX 75006

Dear Ms.Satlof,

My purpose in writing is to request to be included as a part of the youth sports safety alliance. I have been an Athletic Trainer over 40 years and my company promotes youth safety as well as I serve as an athletic trainer for a private school. I also work with the Jacksonville Sports Medicine Program which is a member of the alliance.

Thank you and I look forward to hearing from you and being a part of this united effort.

Sincerely,
