Dear Ms. Satlof:

North Platte St. Pat's High School is proud to promote and join the Youth Sports Safety Alliance in their effort to address safety in youth sports. Great Plains Health has provided support for our youth programs for at least 30 years that I have been associated with the school.

The Irish athletic department is committed to athlete safety. By working with the alliance, we will hope to continue to provide safe activities for student athletes. We very much appreciate the alliances effort to:

1. Provide trainers at athletic contests.
2. Educating parents regarding injuries.
3. Education about nutrition.
4. Education regarding mental aspect of athletics.
5. Educate parents, athletes, and coaches regarding concussion awareness.
6. Impact Testing.
7. Taping techniques for injuries.

Thank you to the National Athletic Trainers' Association for sponsoring the Alliance and issuing the call to action.
