Letter to Youth Sports Safety Alliance Call to Action

The Pedorthic Footcare Association (PFA) is the organization representing credentialed Pedorthists. Pedorthists have a strong history of working with athletes once injured, but more importantly work with athletes to prevent injuries which could become chronic and or disabling.

PFA was glad to learn about the Youth Sports Safety Alliance and the Call to Action. We are excited about participating and look forward to contributing all we can to ensure the safety of our young athletes. Thank you for providing us the opportunity to participate in this great program.

Sincerely,

A handwritten signature in black ink, appearing to read 'Rob Sobel', is written over a light blue horizontal line.

Rob Sobel, C. Ped
