Ms. Ellen Satlof
Youth Sports Safety Alliance
National Athletic Trainers Association
1620 Valwood Pkwy Suite 115
Carrollton, TX 75006

Ms. Satlof,

Professional is proud to be a part of the Youth Sport Safety Alliance. We are honored at the chance to be affiliated with this program and to ensure the safety of all athletes at all of our schools. We support and live the Youth Sports Safety Alliance's call to action.

Adam Elberg, Robert Panariello, and George Papadopoulos, founded Professional Physical Therapy in 1998. These three PT/ATs recognized the need for effective, individualized care, and set out to launch a company that would meet those needs.

Professional provides the highest quality and most efficient care to our patients using state of the art equipment and physical therapy techniques. Our Sports Medicine Department provides the highest quality of Athletic Training Services. We treat our athletes safely, with courtesy and the highest ethical standards. Our Athletic Trainers communicate clearly with each athlete, parent, coach and administration at the school and/or organization to prevent, assess and treat athletic injuries and facilitate the safe and expeditious return to activity.

Our Sports Medicine team has grown from the original three, to over 100 athletic trainers and 41 clinics in the New York and New Jersey area. Our athletic training services consists of a widespread group of amateur and professional franchise teams, club sports, high schools, and college teams.

Professional is proud to be a sponsor of the Youth Sports Safety Alliance and is excited to be partnered in any future endeavors.

Sincerely,

A handwritten signature in black ink that reads "Angelo Marsella".

Angelo Marsella MA, ATC, USAW
