Youth Sports Safety Alliance

National Athletic Trainers Association

2952 Stemmons Freeway

Dallas, TX 75247

Dear Ms. Satlof,

Atlas Physical Therapy and Sports Medicine pledges our support to the Youth Sports Safety Alliance.

The strength of our company is built on the principles of sports medicine and practiced in our clinics and community's youth associations and schools. Our staff of athletic trainers have always followed many of the commitments which you list. We believe that your "Call to Action" is warranted, timely, and beneficial to our goals in our community.

The alliance network of members, with the guidance of yourself and the NATA, hopefully will help us bring a greater awareness, along with solutions, to youth sports safety in our area.

We request the opportunity to work with your alliance to promote this quest. Please include our company on your list of alliance members.

I will serve as point of contact should you have any questions. We look forward to being active members of the Youth Sports Safety Alliance.

Sincerely,

Garry Gillis, M.Ed., ATC, LAT

Director of Sports Medicine
