Dear Ms. Satlof,

I am writing this letter in support of the Youth Sports Safety Alliance.

Times are so different from when our parents and grandparents were growing up. The emphasis placed on youth participation in sports has grown to never before seen levels. The push to have young people play contact sports is at an all time high as well.

I strongly agree with the alliances effort to get responsible adults together for the benefit of our future, our youth.

Please include our facilities name in the list of alliance members. If you have any further questions or concerns please feel free to call.

Sincerely,

Lloyd H. Givan
