Dear Ms. Satlof,

Velocity Sports Performance of South Jersey would like to pledge its support to the Youth Sports Safety Alliance. Our company along with our partners, Rothman Institute and The Training Room Physical Therapy are committed to the Youth Sports Safety Alliance call to action to increase safety and awareness in youth sports.

Our company was founded in 2002 with a vision to provide the highest standard of care and injury prevention to the youth sports community in our area. Along with our partners we provide exceptional sports medicine related services such as performance/injury prevention training programs, physical therapy, massage therapy, nutrition, orthopaedics/sports medicine, sports podiatry, and sports psychology. Our strong grass roots presence and commitment to community education parallels the mission and efforts of the Youth Sports Safety Alliance.

We thank you for the opportunity to be a part of such a worthy initiative.

Sincerely,
